

I was raped...

And at first I didn't tell anyone.
I was ashamed. I felt
so disposable.

A guy I met down at
Padre drugged and
raped me. At first,
I was in denial. But
the more I didn't talk
about it, the more it
was on my mind. Then,
I started talking about
it. And I haven't
stopped. Today, eight
months after, I have
good days and bad.
But more good than
bad.

I'm working on healing.
I'm talking.
My name is Maggie.
I am a rape survivor.
