I was raped ...

And I was too scared to tell anyone,
because in my culture, you just don't.

When I was eight, I was raped
by my cousin's husband. For
a long time, I didn't tell
anyone. I was brought up
not to talk about things
like this. But finally, I
had to. I got counseling.
Talking helps with the
understanding. And
the letting go of the
guilt and shame.
My name is Eunice.
I am a rape
survivor.
