Mission

The TAASA Diversity Task Force facilitates access to reliable and accurate resources regarding diversity issues. We inform, empower and support service providers in their goals to offer culturally appropriate and sensitive services to survivors of sexual assault from diverse communities.

Diversity Task Force Goals:

*** Statewide Diversity Trainings**

To develop trainings for staff from communities of color to provide skills and experience necessary to

have access to leadership positions.

*** Diversity**

Conference

To sponsor a conference to provide

information and resources, as well as networking opportunities and career development for all professionals working to serve sexual assault victims from underserved communities.

*** Cultural Awareness Certification**

To obtain 100% participation through multicultural educational opportunities.

Purpose

The Diversity Task Force is dedicated to offering information and resources to equip service providers of underserved populations. Our intent is to empower by providing access to communication, and career development. The Diversity Task Force also strives to improve and enhance services to all survivors of sexual assault from diverse communities.

Have A Voice, Join the Diversity Task Force.

The TAASA
Diversity Task

Force was organized in 2001. Please join if you would like to take part in our continuing efforts to press forward on issues of:

- * Diversity in the workplace
- * Working with victims of various ethnic or traditionally under-served communities
- * Recruiting & retaining staff from communities of color
- * Understanding the cultural values of others
- * Increasing available services to underserved populations

Vision

The TAASA Diversity Task Force is committed to diversity and celebrating the uniqueness of individuals and the acknowledgement of their efforts in securing the transformation of knowledge to service providers, survivors and the community toward sexual assault.
